CORAM: SMT.V.K.TAHILRAMANI,J.
DATE : OCTOBER 30, 2007

P.C.

1. None appears for the applicant. The applicant is seeking bail. One of the grounds for seeking bail is that the applicant is suffering from tuberculosis. A copy of the communication dated 4.7.2007 addressed to the Superintendent of Kolhapur Central Prison, Kadamba by the Medical Officer of the said prison, shows that the applicant is detected to be a case of tuberculosis infection which is called as Tuberculous Cervical Lyumphadenopathy and he is under CAT III regimen. The necessary treatment is being given to the

applicant who is in jail. In this view of the matter, this application is disposed of with liberty to the applicant to file a fresh application at a later stage in case his health deteriorates or does not improve any further.

2. Application stands disposed of.
